Re: Wage Rate Sheets Effective May 1, 2022
Date: April 29, 2022

Attached are the wage rate sheets reflecting a \$2.25 increase to the package for a Journeyman Glazier effective May 1, 2022, the third year of our current three-year CBA. Essentially all wage increases work off the Journeyman rate. These wage rate sheets are for the period May 1, 2022 to April 30, 2023. Shortly you should be receiving revised contribution sheets from the Union.

These wage rates are effective May 1, 2022. The contract indicates that you would have a thirty-day period in order to effectuate the changes to your payroll system. However, any changes are retroactive back to May 1.

We call your attention to Article 22.7, which requires that you make an annual payment of \$50 to the Joint Trade Board. Also, we take this opportunity to call your attention to Article 1.5, which requires contractors register all jobs in excess of \$25,000 with the District Council, preferably through their website. Failure to comply is a violation of the Collective Bargaining Agreement and is subject to a \$500 fine.

The Board urges you to read and understand your Collective Bargaining Agreement. Neither the Association nor its officers or directors accept any legal responsibility for information or advice given or opinions expressed. If you are in need of legal advice, you should seek your own legal counsel regarding those issues.
